

South Tampa Chamber Member Exclusive: Hot Deals Advertising Program

The Chamber offers member businesses and organizations the unique opportunity to offer promotions, specials and discounts through online “Hot Deals” advertisements on the Chamber web site. “Hot Deals” advertisements are displayed through the  link at the top of the online Membership Directory page. Members offering “Hot Deals” also receive the  icon on their online Membership listing. “Hot Deals” are also promoted through the Chamber’s weekly emails.

“Hot Deals” run for 30 days periods and contain text only and contact information including name, telephone number, email address and web site address. No graphics or enhanced text (bolding, characters, underlining, etc.) are available in “Hot Deals” advertisements. As “Hot Deals” link back to the Member’s online Directory listing, it is important said listing is accurate and up to date.

Example “Hot Deals” Advertisement:

1. All “Hot Deals” advertisements must meet the approval of the South Tampa Chamber of Commerce Communications Committee. It is at the Committee’s sole discretion to reject any “Hot Deals” ads submitted which may be considered unethical, misleading, questionable in character, in bad taste, or otherwise inappropriate for display in keeping with the South Tampa Chamber of Commerce character and web site image. No political advertisements will be accepted.
